cope with the daily ups and downs of dealing
with cancer. We believe in creating positive
memories, making friends, dreaming up
glorious, grubby new adventures and that
laughter is the best medicine. Camp Quality
helps change the cancer story for kids and their
families: in hospital, at home, at school, and
away from it all. If a child impacted by cancer is
feeling scared and alone, we can help them deal
with their fear with apps and tools that speak
their language.

Cares for the practical and spiritual welfare of
seafarers of all nationalities and faiths. Work
is carried out by staff and volunteers who
give freely of their time 365 days of the year.
Seafarers are visited on their ships and offered
a welcome and whatever help they need. While
most seafarers are well treated, some are still
abandoned in ports far from their homes or
remain unpaid or forced to work in unsafe or
unacceptable conditions. In such situations, the
Mission plays a vital role in providing practical
care and moral support. The Mission needs
volunteers to operate and new volunteers are
always welcome. Gladstone specific souvenir
and gift shop open 8.30am-6pm and all
proceeds go to the missions seafaring work.

The Association exists to enhance, promote and develop growth in the arts, business and community sectors of Boyne Tannum and Benaraby. Major projects for the Association include Beach Arts Music (BAM), Under the Trees Music & Arts Festival and Turtleway Art Scape. We welcome members of the community to become involved.

Beach Arts Music (BAM): Family friendly event held, weather permitting at beautiful Millennium Esplanade, Tannum Sands on the first Saturday of each month, March-December, 2pm-7pm. There is also opportunity for emerging artists to be part of the Blackboard Session at the northern end of the park. The event centres around live music and entertainment on stage throughout the day and around 100 quality market stalls in lovely park surrounds, with an ocean outlook. With a relaxed and friendly vibe, some great food and a spectacular venue, the event has grown into the "must go" monthly event within the Gladstone Region.

Under the Trees Music and Arts Festival:

Under the Trees is a laid-back music and arts festival located "under the trees" between the soccer field and oval at Jacaranda Drive, Boyne Island. Held in September each year. It is organised by the community for the community, entirely built and run by volunteers. It delivers an outdoor festival experience for all ages.

Turtleway Art Scape: On going community development project that has installed public art along Turtleway bikeway which runs through Tannum Sands and Boyne Island. Visit www.boynetannumartscape.com for map and further information.
